- Installation: Nail Or Screw
- Length: 12-16 Feet
- Texture: Smooth Or Woodgrain
- Durability: High
- Surface: ASA
- Color: Pure Colors
- Highlight: **White Vertical Vinyl Siding,**  
**CE Vertical Vinyl Siding**

## Easy-To-Install PVC Vinyl Cladding With High Impact Resistance

### Product Description:

PVC Vinyl Siding is a perfect choice for any home exterior wall covering. It is a polyvinyl siding panel made of PVC vinyl material, with a length of 12 to 16 feet, and a special ASA surface treatment. It is highly resistant to moisture and UV radiation, making it an ideal plastic wall covering for any home exterior walling. Vinyl exterior walling has become increasingly popular due to its long-lasting, easy to clean and maintain, and affordable features. PVC Vinyl Siding is the perfect choice for anyone looking for a durable, beautiful, and cost-effective solution for their home exterior walling needs.

### Features:

- Polyvinyl Cladding Boards
- Vinyl Exterior Siding
- PVC Vinyl Cladding
- Textures: Smooth Or Woodgrain
- Colors: Varies
- Finish: Matte Or Glossy
- Impact Resistance: High
- Cost: Moderate

Cost	Moderate
UV Resistance	High
Texture	Smooth or Woodgrain
Length	12-16 Feet
Durability	High
Material	PVC Vinyl
Polyvinyl Siding Panels	Yes
Polyvinyl Cladding Boards	Yes

### Applications:

HB-DECOR PVC Vinyl Siding is a high-quality plastic wall covering that provides a durable and attractive solution for protecting exterior walls. This vinyl exterior walling material is made of PVC vinyl and is available in a variety of colors, textures, and styles. It is extremely durable and can withstand high impact without compromising its aesthetics. The PVC Vinyl Cladding is also easy to install with either nails or screws. It requires minimal maintenance and is highly resistant to moisture, insects, and other environmental factors. The material is also certified MSDS, CE, and SGS, and requires a minimum order quantity of 3000m2.

The unique features of HB-DECOR PVC Vinyl Siding make it an ideal choice for both residential and commercial buildings. It is highly resistant to corrosion, fire, and fading, and its ASA surface treatment provides superior protection against weathering and UV radiation. The material is also highly impact resistant and provides a low maintenance solution for protecting walls from the elements. With its superior performance and attractive finish, HB-DECOR PVC Vinyl Siding is the perfect choice for any exterior wall covering solution.

### Customization:

HB-DECOR PVC Vinyl Siding is an excellent choice for adding a modern look to your home. It is a durable and versatile product that is designed to be resistant to impact and give a smooth or woodgrain finish. It is available in thicknesses ranging from 0.042 – 0.050 inches, and is certified by MSDS, CE and SGS, with a minimum order quantity of 3000m2. It is highly cost-effective, low maintenance and offers great value for money. With its high impact resistance, it makes a great choice for vinyl siding panels, PVC vinyl cladding and vinyl wall covering.
